Dear Parents/Carers,

Harvest

Thank you to everyone who donated to our harvest collection. It has been taken to Epping Forest Food Bank and will help people locally.

Parents

Please leave your child at the door, rather than going into the room with them. Unless they are extremely upset, then it is not helpful with regard to separation and resilience. This is part of preparing children for school.

Photos of family reading with child

Please can you take some photographs of family members reading with your child and bring them in. You can email them if you don't have access to a printer.

Clothing & Bags

Please label your child's bag and clothing clearly with their name. And check that your child recognises their belongings, so that they can find them more easily.

Bottles

We are going to be working with BHCPS to create a poppy display on the railings by the memorial at the front of the church. We need 2 litre plastic bottles (please rinse out) to make our poppies.

Photographs

Nicky Bamber (our friendly photographer) will be coming to visit us on 14th November. She will take individual photos of all the children. These make beautiful Christmas presents for family members.

Books for Malawi

Our friend from St. John's church, Pauline has been supporting a school building project in Malawi for many years. She has been given the opportunity to send, for free, books for the primary school. Please donate any books you may have that are suitable for primary aged children (no witches or magic please). Please bring books in as soon as possible, so we can get them to Pauline.

God bless.
